Company mission statement

Company Mission Statement - We are a family owned business which embraces an extended community of colleagues and business partners. Our mission is to transform the way recruitment and facilities services are delivered around the globe, offering customers a unique and superior service. Our core values: Candor, Collaboration, Opportunity, Relentlessness and Disruptive Innovation, are at the heart of everything we do. These behaviours unite us and are critical to achieving our vision. As a Social Enterprise the Group will reinvest the majority of its profits into social programmes across education, employment and healthcare, pledging to touch and improve thousands of lives, one community at a time

The Cordant Group operates across both recruitment and facilities. Each division functions autonomously with dedicated management teams bringing industry specific knowledge and experience. With the advent of technology and an opportunity to expand as a provider of integrated solutions, Cordant invested over £3.5m to create the cornerstone of its existing infrastructure, which includes:

- Cordant Security - a specialist provider of security solutions covering guarding, mobile and keyholding, technologies, risk management and consultancy services.
- Cordant Cleaning - specialises in professional cleaning and support services, including transport cleaning, daily office cleaning and window cleaning.

- Cordant Specialist Services - work with a wide spectrum of clients that require services for their specialist or high-risk environments.
- Cordant Technical - specialises in the provision of flexible integrated technical services across the lifecycle of any property.
- Cordant Projects - works closely with its clients to provide a full construction and technical solution. Its expert team delivers extensive build and refit/refurb works from inception to completion.
- PMP Recruitment - works in partnership with clients to increase the quality and efficiency of temporary and permanent needs, across specialist sectors including warehouse and distribution, retail, manufacturing, food environments and automotive.
