G4S FM is a leading facilities management business, part of G4S UK & Ireland region employing 34,000 people with an annual turnover of £1.2 billion across the region.

With more than 100 years' experience, G4S is the world's leading global, integrated security company, specialising in security and related services to customers across six continents. Active in more than 100 countries, we are the largest employer quoted on the London Stock Exchange and employ more than 600,000 people.

Our Services

A diverse range of services to meet customer needs and a big geographic footprint to meet growing demand for security around the world, in three service streams:

- Secure Solutions: broad range of services to commercial and government customers.
- Care & Justice: Highly specialised services to central and local governments, agencies and authorities
- Cash Solutions: Managing and transporting cash and financial institutions and retailers.

At G4S FM, our 7,500 employees deliver integrated facilities management, security, front of house, hard FM, energy management, cleaning, catering and service desk services in healthcare, education, central government and corporate sectors. A top security and FM provider, we improve the lives of millions every day in hospitals, schools, courts, secure government buildings and corporate offices.

Our portfolio includes 12 NHS Trusts, 33 schools, five prisons and 300 courts and tribunal buildings, with clients including the Met Office, Ministry of

Justice, Foreign & Commonwealth Office, HMRC, Northern Ireland Civil Service, and Hinkley Point C. We also offer a complete service range for secure environments in Jersey, Guernsey and the Isle of Man, from cash transit to security, facilities management and logistics, in high profile sectors including banking, airports and retail.

Working in challenging environments

We are used to working in critical and secure environments. Our expertise in defence, prisons, courts and hospitals is second to none, reassuring clients in other sectors like education, banking and utilities, where they welcome our extra vigilance when maintaining and operating their buildings.

Comprehensive range of solutions

From good cleaning to high-street style catering, office services and specialist electrical and mechanical maintenance, our experienced teams enable our customers to relax and focus on their core business. Our specialist project management teams support construction, office moves and carbon and energy management solutions.
